Lift Off

– Massage Oil Remover

Vegetable Solvent Based Cleaner

Product Description:

LIFT OFF MASSAGE OIL REMOVER is derived from natural and vegetable sources. A light yellow clear liquid LIFT OFF MASSAGE OIL REMOVER is and economical, ready to use, non flammable, bio based, environmentally sound product to use on areas that come in contact with skin.

This superior, all purpose cleaner is ideal for cleaning massage table upholstery, removing oil without drying out or abrading the vinyl. LIFT OFF MASSAGE OIL REMOVER can also be used as a spotter on massage towels for hard to move oil stains. This is a ready to use product, no mixing required!

Contains natural, renewable plant extracts, biodegradable natural oils and naturally grown.

Application:

Towel Treatment:

- Spot treat any particularly oily or areas of your towels with LIFT OFF MASSAGE OIL REMOVER.
- Put the towels in the washing machine. Add your usual detergent.
- Add 50-60mls to the regular wash with the detergent.
- Run the washing machine through a routine cycle.

General Cleaning:

Apply a light coat directly to a clean cloth and wipe surface. Use sparingly. Polish and remove any excess with a clean dry cloth. No rubbing is required. For heavy soils, spray and saturate surface. Allow a few minutes dwell time, then wash or wipe soil away. Repeat as necessary.

CAUTION: Do not use on 'non solvent safe surfaces'. Do not use on plastics.

SHELF LIFE: As a quality assured manufacturer, Castle Chemicals has a stringent Quality assurance programme.
