

SPECTRUM

PREMIUM TRI-COLOUR CONDITIONER

Provides Antistatic/Polish Surface Conditioning

Product Description:

SPECTRUM Tri Colour Conditioner is a rich foaming liquid pre-sealant conditioner to provide antistatic & polish surface conditioning shampoo with a fresh lingering bubble gum fragrance.

SPECTRUM Tri Colour Conditioner produces large quantities of dense, high lubricity stable foam at very economical use dilutions. The high lubricity reduces surface friction while maintaining excellent cling qualities and is easily rinsed.

FEATURES :

- Provides mild cleaning, great “show” with pleasing vibrant colourful foam.
- Performs well in hard & soft water
- Easy Rinsing & phosphate free
- Can be used separately or in tri-colour applications
- Regular use will improve the life of any paintwork consistently exposed to UV radiation
- High lubricity formulation protects vehicles as well as foam brush equipment

SPECTRUM Tri Colour Conditioner is available in red, blue and yellow.

Application:

- Suitable for use with foam brush and foaming equipment used in self-service car washes.
- Friction Brush equipment for lubricity & great show
- Touch-Free equipment as a colour tri-foam

Suggested Dilution Range – 1:200-1:300 : Hydrominder purple to pink

DISCLAIMER: COLOURED FOAM WASH

Due to the high level of dyes (colour) used in car wash formulations, Castle takes no responsibility if a car is affected by staining. Vehicles with pre-existing damage or sun affected paint work should not use dyed (colour) based car wash chemicals. Ensure vehicles are thoroughly rinsed after use. Code: 34131, 34134, 34133
